Summary

I am currently in the UK and I'm looking for a job that offers hands-on learning experiences, such as physical penetration testing, PC building/support/repair, or Network Technician, as I prefer labor Intensive work I am a big guy. However, I also enjoy setting up servers and Networks because I just love playing around with them. and setting up virtual lab environments to have fun and see what I can compromise, I am willing to move and I don't really mind where, as my work experience shows. please give me an email if you are interested

a bit about me as a person Skip over this if you like

Hobbies: Fishing, Diving, Penetration Testing in Virtual Environments, and Online gaming (Arma3, Rust).

Dream Job: Physical Penetration Tester/ Social engineer.

Experience

Penetration Tester

BreachLock Inc

Feb 2021 - Present (4 months +)

Currently working here had to have a great time while learning a lot about how Pentests are conducted and the dreaded reports that come with them, But is all good fun and a great opportunity to be working here.

Crew Member

McDonald's

Aug 2020 - Jan 2021 (6 months)

Got Back and needed some cash so was working the nightshift at the golden arches

The inturn

SYMTECH SOLAR

Feb 2020 - Jul 2020 (6 months)

I did a little stint out in the desert for something to do and had a great time in the pandemic and had to get out before it went bad.

Cook

KFC UK & Ireland

Sep 2019 - Dec 2019 (4 months)

cooked at KFC for a short while for some extra cash and for something to do was let go for unknown reasons

Food Server

cup cake coffee box

Mar 2017 - Sep 2017 (7 months)

I completed 6 months voluntary work for my duke of Edinburgh award at Cupcake Coffee Box, Kirkcaldy where I gained skills in cash handling, general cleaning, customer service, social skills, serving hot and cold food and drink and health and safety. I'm also good with computers. and hands on tasks

nice little cafe in kirkclady worked on the ice cream section of it and had to go because it was the end of my volunteering for my silver DofE award and no one eats ice scream in winter
